Description:

Anne Frank is one of the first of many National Geographic Readers that highlight important historical figures. This level-3 reader brings an understanding of her historical significance to a whole new audience. Young readers will learn about the brave and tragic life of the young girl whose diary kept while in hiding from Nazis is one of the most important and insightful books of the World War II era. National Geographic Readers: Anne Frank explores not just the diary, but her life and the important role she played in 20th-century history.

My daughter did a Biography report on Anne Frank. She was 8 and in 2nd grade. This was a perfect book to read with her.
